GREETINGS FROM PRESIDENT OLIAN

Congratulations to the Class of 2025 as you celebrate the culmination of four years of hard work and rigorous commitment to succeeding in medicine. As you embark on residencies in 19 states (including the District of Columbia) and 20 unique specialties, you are well prepared to be leaders in your community and to practice truly compassionate, patient-centered healthcare.

As graduates of Quinnipiac University's Frank H. Netter MD School of Medicine, you've been guided by outstanding faculty and dedicated staff who are proud to stand beside you today. All that you've learned—and the many ways in which you've grown—will serve you well in your chosen fields of medicine and in your communities. In addition, you've gained new understanding and perspectives from one another during this profoundly transformative time in your lives. Stay connected to your Bobcat family, visit us often, and draw on the friendships and mentor relationships you've formed.

This day is shared with your families and friends—those who've supported you every step of the way. They're bursting with pride on the milestone you achieve today. Savor this moment as you begin this next chapter and know we'll be cheering for you as your Bobcat family.

Warmly,

Judy D. Olian, PhD

A MESSAGE FROM DEAN BOISELLE

Dear Graduates of the QU Netter Class of 2025,
Congratulations on your remarkable achievement!

Four years ago, you began medical school in the midst of a global pandemic—an extraordinary and uncertain time. With resilience and determination, you’ve met challenges that tested your strength and deepened your commitment to medicine. Throughout this journey, your compassion—for patients, for one another, and for the communities you serve—has remained steadfast.

Now, as you step into your professional careers, you enter a healthcare landscape that has transformed during your time at Netter. You are not only prepared to meet its demands—you are equipped to shape its future. Let compassion continue to guide you—in how you lead, how you heal, and how you show up for others.

You are part of a proud legacy of physicians who strive to make a meaningful difference. Wherever your path takes you, stay rooted in purpose, lead with empathy, and never underestimate the power of listening, presence, and care.

You will always be part of the QU Netter family. We look forward to following your journey and celebrating the impact you will make.

Wishing you all the best—good luck and Godspeed!

With immense pride and admiration,

Phillip Boiselle, MD
